2.2 Place of Delivery of Goods is #29 Kindzmarauli str, Tbilisi, Georgia

**3. Quantity, requirements and scope of procurement of 6, 35 and 110kV Disconnecting Switches**

3.1. Quantity, requirements and scope of procurement of 6, 35 and 110kV Disconnecting Switches

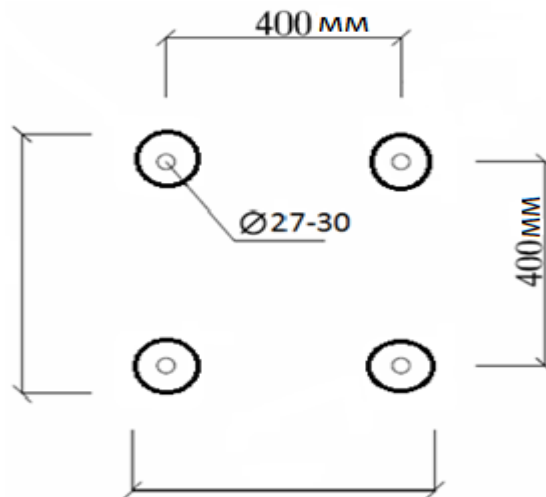

**Position #1**

6 kV Disconnecting Switch with Electromechanical drive with earthing switch on one side	
Technical Description	Requirements
Type	Outdoor
Number of poles	3
Nominal voltage – kV	6
frequency – Hz	50
Nominal current – A	2500
Thermal stability current - kA	31,5
Drive main and for grounding blade	Electromechanical
Number of Drives - set	2
Control voltage -V (DC)	220
Power voltage -V (DC)	220
Altitude - m	≤1000
Ambient Temperature °C	-25; +45
<b>Quantity (set)</b>	<b>3</b>

**Position #2****35 kV Neutral Disconnecting Switch with support structure and electromechanical drive (switch layout – vertical )**

Technical Description	Requirements
Type	Outdoor
Number of poles	1
Nominal voltage – kV	35
Maximum operated voltage – kV	40.5
Frequency – Hz	50
Nominal current – A	1250
Thermal stability current - kA	31.5
Drive main	Electromechanical
Numbers of Drives - set	1
Control voltage -V (DC)	220
Power voltage -V (DC)	220
Altitude - m	≤1000
Ambient Temperature °C	-25; +45
<b>Quantity (set)</b>	<b>3</b>

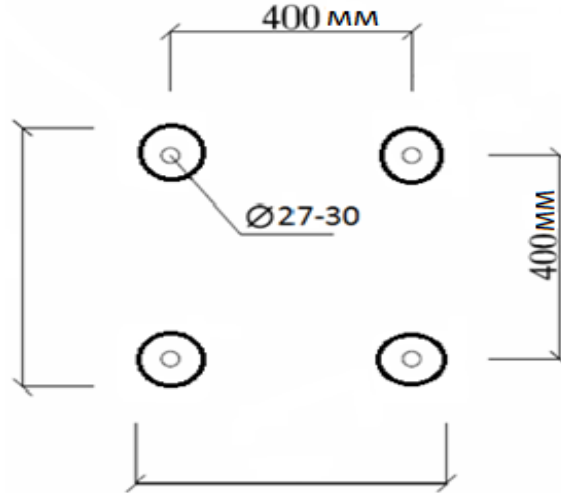

**Comment: Support structure height – 2400mm. Support structure should be galvanized and should have 4 holes on the bottom, distance between holes – 40X40cm (see drawing below)**

**Position #3****110 kV Neutral Disconnecting Switch with support structure and electromechanical drive (switch layout – vertical )**

Technical Description	Requirements
Type	outdoor
Number of poles	1
Nominal voltage – kV	110
Maximum operated voltage – kV	123
Frequency – Hz	50
Nominal current – A	1250
Thermal stability current - kA	40

Drive main	Electromechanical
Numbers of Drives - set	1
Control voltage -V (DC)	220
Power voltage -V (DC)	220
Altitude - m	≤1000
Ambient Temperature °C	-25; +45
Quantity (set)	12

**Comment:** Support structure height – 2400mm. Support structure should be galvanized and should have 4 holes on the bottom, distance between holes – 40X40cm (see drawing below)

**Remarks:** The Goods should be factory production;

The Bidder shall submit detailed technical specification of the Goods;

The Bidder shall submit warranty period and terms

**3.2 The warranty period of the Goods shall be at least 2 (two) years after signing of the delivery-acceptance certificate.**

### **1.3 Pricing adequacy justification commitment**

In case if the lowest Bidder's final price is 20% or more lower than procurement Estimated cost, the bidder will be required to justify the pricing adequacy by submitting either the agreement by the Bidder regarding the goods to be supplied and/or invoice and/or bill of lading and/or customs declaration confirming the possibility for the bidder to fulfill contractual obligations at the offered price. Such document should be issued no more than 6 months before the date of submitting. Documents submitted in foreign language should be appended with Georgian translation duly certified by Notary public.

**4. Draft Agreement No.\_\_\_\_ on Procurement of the Goods**

Tbilisi

\_\_\_\_\_, 2015

**I. Parties**

- 1.1. The present agreement hereof is made on \_\_\_\_\_, 2015, by and between JSC “Georgian State Electrosystem”, represented by \_\_\_\_\_ (hereinafter referred to as the Purchaser), on one hand, and \_\_\_\_\_ (hereinafter referred to as the Supplier), represented by \_\_\_\_\_, on the other hand, acting on the basis of the charter of the company and in accordance with the applicable legislation.

**II. Subject to the Agreement**

- 2.1. The Supplier shall be liable to deliver Goods to the Purchaser (CPV code: 31200000, 31212000) in accordance with the Annex No.1 (price list) and the Annex No.2 (Technical Requirements).
- 2.2. The Annex No.1 and the Annex No.2 are the integral parts of the Agreement hereof.

**III. Value of the Goods and Terms and Conditions of Settlement**

- 3.1. The total value of the Goods is defined in accordance with the Annex No.1 (price list) hereunder and amounts to --- (–) GEL, ----- VAT (hereinafter referred to as the “Value of the Agreement”).
- 3.2. Settlement shall be carried out according to actually delivered Goods within the period of 10 (ten) calendar days after signing of the delivery-acceptance certificate and submission of the appropriate documentation -----.
- 3.3. If advance payment is required by the Supplier, the Purchaser shall pay to the Supplier the advance amount (at most 30% of the value of the Agreement) in case of submission of the bank guarantee for the appropriate amount by the Supplier, within 5 (five) business days after submission of the bank guarantee. The bank guarantee shall be valid for the term exceeding at least 30 calendar days to the validity of the Agreement.
- 3.4. The amount paid in advance shall be considered during final settlement.
- 3.5. Settlement shall be carried out in GEL, by means of the non-cash settlement (via bank transfer).

**Note: If required, the Contract value could be in foreign currency (USD or EUR) according to the official exchange rate against GEL, established by the National Bank of Georgia on the day of electronic trading.**

**IV. Rights and Liabilities of Parties**

- 4.1. The Supplier shall be obliged to deliver Goods (new, unused) to the Purchaser within \_\_\_\_ days from signing the Agreement to the following address #29 Kindzmarauli str, Tbilisi, Georgia
- 4.2. The Supplier shall deliver Goods in accordance with the Annex No.1 (Price list) and the Annex No.2 (Technical Requirements) of this Agreement
- 4.3. The Purchaser shall take the obligation to:
- 4.3.1 Pay the value of the actually delivered Goods to the Supplier in line with the terms and conditions stipulated hereunder.

- 4.3.2 Inspect the condition of Goods;
- 4.3.3 Notify the Supplier in written about defects detected during acceptance or operation of the Goods.
- 4.4. The Supplier shall be obliged communicate in writing to the Supplier regarding all the subcontracts concluded hereunder and to present the copies of the agreement concluded with it.
- 4.5. None of the subcontracts concluded hereunder may release the Supplier from material or other obligations. Final relations between the Purchaser and the Supplier shall be carried out according to the terms and conditions of this Agreement.

## **V. Warranty**

- 5.1. The Supplier warrants that the delivered equipment shall be free from any defect in case of compliance with the performance standards.
- 5.2. In terms of appropriate performance, the warrantee period on delivered Goods is – (-) year after signing of the delivery-acceptance certificate.
- 5.3. If any defect or discrepancy is revealed during the guarantee period, the Supplier shall be liable to correct the defects at its own expenses, within the period of –(-) business days after acceptance of written notification from the Purchaser.

## **VI. Responsibilities of the Parties**

- 6.1. In case of delay of delivery due to the fault of the Supplier, the Supplier shall be liable to repay the penalty in amount of 0.1% of the value of the Agreement for each calendar day overdue before the day of complete delivery.
- 6.2. In case of incomplete or failure of delivery due to the fault of the Supplier, the Supplier shall be liable to repay the penalty in amount of 0.1% of the value of the Agreement for each calendar day overdue before the day of termination of the Agreement.
- 6.3. The penalties defined by the paragraph 6.1 of the Agreement hereof shall be accrued for repayment to the Supplier also in case if the faulty or defective Goods are returned to the Supplier until the day of delivery of the high quality Goods instead of faulty or defective Goods. Paragraphs 6.1 and 6.2 shall be applied to the warantee period as well.
- 6.4. In case of unilateral non-implementation of the liabilities imposed hereunder, the parties are liable to compensate the caused damage in full according to the rule set by the applicable legislation of Georgia. Compensation of the damage or its demand does not stop accrual of the penalties stipulated by the article hereof.
- 6.5. The Purchaser shall be entitled to deduct (to decrease compensation) the amounts of the penalties stipulated by the article hereof and accrued to the Supplier during settlement of the value of the delivered Goods.

## **VII. Control over Implementation of the Agreement**

- 7.1. The Purchaser or his representative has the right to implement control over the fulfillment of the Supplier's obligations at any stage of the Agreement.
- 7.2. The Supplier shall be obliged to correct all the defects or faults revealed after such control at its own expense.
- 7.3. The control over implementation of the Agreement by the Purchaser is carried out by ———

- 7.4. The control is carried out through compliance of the quality and delivery terms of the Goods with the terms and the conditions of the Agreement.

### **VIII. Force-Majeure**

- 8.1. Suspension of the terms and conditions of the Agreement or any of them due to incurring of the force-majeure circumstances shall not be considered as non-implementation or violation of the terms and conditions of the Agreement hereof and will not cause imposing of the penalty sanctions.
- 8.2. For the purposes of the article hereof, “Force-Majeure” means the circumstances insuperable for the parties and beyond their control or independent from the parties, which are not related to their errors and negligence and which bear the preliminarily unforeseen character. Such circumstances might be caused due to war or natural calamities, epidemic, quarantine, imposing of embargo, etc. For sufficient certificate confirming existence of force-majeure, the parties agree upon to consider the appropriate certificate issued by the Chamber of Commerce and Industry of the relevant country.
- 8.3. In case of incurring of force-majeure circumstances, the contractual party, for which it becomes impossible to implement the undertaken liabilities, shall immediately send to the other party the written notification regarding such circumstances or their reasons. If the party sending the notification does not receive the written response from the other party, such party at its discretion, according to the appropriateness and the own capabilities continues to implement the liabilities undertaken due to the Agreement hereof and tries to find out such alternative ways for implementation of the liabilities, which would be independent from impact of the force-majeure circumstances.

### **IX. Relations between the Parties**

- 9.1. Any official relations between the contractual parties shall be implemented in writing. The written notification, which the party sends to the other in accordance with the Agreement, shall be sent in form of the mail notification, which shall be signed by the person authorized for management and/or representation. With the purpose to set the immediate and efficient contact, it is possible to send the notifications via e-mail (scanned version of the letter) or fax, with the conditions to deliver the original lately.
- 9.2. The notification enters into force on the day of its receipt by the addressee or the date set for validation of the notification, whichever incurs later.

### **X. Modification of the Terms and Conditions of the Agreement and/or early Termination**

- 10.1. Any modification and/or amendment to the Agreement hereof might be carried out on the basis of the written agreement by and between the parties.
- 10.2. Modification of the terms and conditions of the procurement agreement is inadmissible, if as the result of such modifications the total value of the Agreement increases or the terms and conditions of the Agreement for the procuring entity are deteriorated, except for the cases stipulated by the Article 398 of the Civil Code of Georgia. Besides, the total value of the Agreement shall not increase by more than 10%.
- 10.3. The agreement might be terminated preliminarily in the following cases:
- 10.3.1. Upon agreement of the parties;

- 10.3.2. With the statement of one of the parties in case of substantial violation of the terms and conditions of the Agreement hereof by the other party;
- 10.4. The Purchaser may terminate the agreement preliminarily in the following cases:
  - 10.4.1. If it becomes known to the Purchaser that due to the reasons beyond the control of the latter, the Purchaser fails to provide implementation of the liabilities imposed hereof;
  - 10.4.2. In case of bankruptcy of the Supplier;
  - 10.4.3. If it becomes known to the Purchaser that the information submitted by the Supplier is false which is the basis for losing of confidence of the Purchaser.
  - 10.4.4. In other cases as stipulated by the applicable legislation of Georgia.
- 10.5. In the cases indicated in the paragraph 10.4 hereof, the Purchaser is obliged to compensate the value of the actually delivered Goods to the Supplier.

#### **XI. Interfering to Implementation of the Agreement**

- 11.1 If during the process of implementation of the Agreement the parties face any impeding circumstances, due to which implementation of the terms and conditions of the Agreement is interfered, such party shall immediately send to the other party the written notification on fact of interfering, its possible duration and the reasons. The party receiving the notification shall communicate own decision made regarding the indicated circumstances to the other party as soon as possible.
- 11.2. In the event if due to interfering to implementation of the terms and conditions of the Agreement the parties agree upon to prolong the term for implementation of the terms and conditions of the agreement, such decision shall be concluded by means of introducing of the modifications into the Agreement.

#### **XII. Settlement of Dispute**

- 12.1. The contractual parties hereby agree upon to refer to all the efforts in order to settle all the disputes and the discrepancies incurred by and between the parties regarding the Agreement or the issues related to the Agreement via amicable negotiations,.
- 12.2. If in the term of 30 (thirty) days after commencement of such negotiations the parties fail to agree upon the disputable issues, any party is entitled to solve the dispute by applying to the court according to the set rule.

#### **XIII. Delivery-Acceptance Procedure of Purchase Object**

- 13.1. The delivery-acceptance certificate shall be concluded on the actually delivered Goods.
- 13.2 The person(s) defined by the Purchaser according to the subparagraph 7.3 hereunder shall check the compliance of the delivered Goods with the terms and conditions of this Agreement. In case of absence of defect, the delivery-acceptance certificate shall be concluded on the actually delivered Goods.
- 13.3. While acceptance of the Goods, in case of reveal of any fault (defect), the Purchaser shall be liable to communicate to the Supplier regarding the relevant faults (defects) immediately and in the effective manner in writing.
- 13.4. In case of revealing the faults (defects), the Supplier is liable to correct the defect within the period of – (–) business days at its own expenses, if correction is impossible the Supplier is liable to replace the goods within the period of – (–) business days.
- 13.5. The Goods shall be considered as accepted upon signing of the delivery-acceptance certificate by and between the parties. After signing the delivery-acceptance certificate responsibility

#### **XIV. Validity of the Agreement**

- 14.1. This Agreement enters into force upon its signing by the parties.
- 14.2. The validity of this Agreement shall be considered as expired upon fulfillment of the above terms and conditions, nevertheless **no later than** \_\_\_\_\_ **201-**, and in the part of the warrantee obligations – until the end of the warrantee validity.

#### **XV. Miscellaneous**

- 15.1. The Agreement is drafted in Georgian and/or English language in two copies and each of them bears equal legal force.
- 15.2. In the cases not stipulated hereunder, the parties shall act in accordance with the applicable legislation of Georgia.
- 15.3. The terms and conditions stipulated by the Agreement hereof are binding and obligatory for implementation by the parties and their legal successors and assignees. It is inadmissible to assign the liabilities foreseen by the Agreement hereof to the other party without preliminary written consent by the other party.
- 15.4. The terms and conditions stipulated by the Agreement hereof are the confidential information and shall not be disclosed to the other party, except for the cases prescribed by the legislation.
- 15.5. The Agreement hereof is drawn in accordance to the subparagraph (p), paragraph first, article 3 of the Law of Georgia on State Procurement.
