

Architectural drawing of a rectangular building. The drawing includes a section line A-A, indicated by a blue diamond with the letter 'A' at the top and a vertical line with arrows at the bottom. The building's dimensions are shown in blue: the total width is 1200, divided into two equal sections of 600 each; the total height is 800, divided into two equal sections of 400 each. The drawing also shows a dashed line representing a wall or partition, and a solid line representing the building's footprint. The text 'ნაგებობის სიმაღლე 18მ' (Building height 18m) is written in blue at the top left.

[illegible]

Technical drawing of a stepped profile with dimensions:

- Overall width: 800
- Overall height: 672
- Top horizontal segments: 500 and 300
- Vertical segments on the right side: 297, 402, and 401
- Internal vertical segment: 162
- Internal horizontal segment: 162
- Small vertical segment at the top left of the main body: 18
- Small vertical segment at the top left of the upper right section: 18
- A blue-shaded trapezoidal area is located on the right side, between the 402 and 401 segments.
