

საქართველოს მთავრობის ადმინისტრაცია

A photograph of the exterior of a building, likely a government or institutional structure, featuring large, metallic, three-dimensional lettering in the Georgian script. The letters are mounted on a light-colored, textured wall that shows signs of wear, including peeling paint and cracks. Above the letters on the left, there is a decorative crest or emblem. The building's facade is light-colored, and the overall appearance suggests a well-maintained but aged structure.
