

Technical drawing of a roof structure showing a longitudinal section. The drawing includes dimensions and grid lines. Key dimensions include a total length of 25.00, a section cut at 8.40, and various spans of 3.10, 6.00, 3.00, 8.00, and 4.23. The roof profile is shown with a peak at grid line 2 and a valley at grid line 6. A dashed line indicates a section cut at 8.40. The drawing is divided into sections by vertical grid lines 1 through 7.
