Architectural elevation drawing of a multi-story building facade. The drawing shows a complex arrangement of windows, balconies, and structural elements. A vertical dimension line on the left indicates a height of 36,300. A horizontal dimension line at the bottom indicates a width of 37,600. The facade is divided into several vertical sections, with a central section featuring a large, dark, textured area. The drawing is a black and white line drawing with hatching for shading.
